#### **Check-In Procedure:**

Our check-in area provides an easy way to check your child-in prior to your workout. Each child will be registered simply by scanning a member's HealthQuest scan card. All information pertaining to that child will print on a label which will then be attached to the child. Parents location should always be given when checking a child-in. Parents using transportation must also know the time and class of their child.

#### **Checking Out:**

Checking out of KidQuest is also done by using a member's scan card. Simply swipe your card and your child will be clocked out of KidQuest by a staff member. To ensure the safety of all the children please wait for a childcare provider to release your child. Please **do not** open the door or lift your child up over the door.

#### **Transportation:**

Transportation allows parents to enjoy their workout without the worry of getting children to and from scheduled youth programs. Transportation is provided to Dance, Gymnastics, Tae Kwon Do, and All Sports.

#### **Transportation Rules:**

- Parents must give themselves enough time to sign children into the childcare areas
- Please know your child's class and class time
- Members arriving late and missing transportation will be responsible to take their child to class and pick them up.
- Parents will not be given wristbands to have their children brought back from class. All children transported to a class must come back to the childcare area before checking out. No child will be checked out directly from class.
- KidQuest staff should be made aware any time a child checks out of KidQuest prior to using transportation. Children's names need to be removed from the transportation list, this saves time and worry looking for children who have already been checked out but their name remains on the transportation list.

All guests are required to stop at the Front Desk before entering the Club. Guests must be accompanied by a member and pay a ten-dollar guest fee when registering at the Front Desk. Guests are required to bring their paid receipt to KidQuest when signing children in.
