### Please read carefully before signing.

This is a release of liability and waiver of certain legal rights. I, \_\_\_\_\_

the parent/guardian of the participant(s) and/or enrolled participant(s), agree and understand that swimming is a HAZARDOUS activity. I recognize that there are risks inherent in the sport of swimming, including but not limited to paralyzing injuries and death. The participant(s) hereby agrees to participate in the water activities and hereby agrees to indemnify and hold harmless HealthQuest of Hunterdon LLC, its coaches, instructors, directors, agents and employees against any liability resulting from any injury that may occur to the participant(s) while participating in swim lessons, open swim, lap swimming, water fitness, private party, or other activities HealthQuest of Hunterdon LLC. #### SWIM LEVEL OF THE PARTICIPANT:

Participants NAME: AG	E:
-----------------------	----

- <u>Beginner</u> (Must be able to swim independently with a floatation device on, if not, parent or guardian must accompany the swimmer in the water.)
- <u>Intermediate</u> (Must be able to pass a basic swim test with Lifeguard, floatation device not required)
- <u>Advanced</u> (If under the age of 13, must take part in a basic swim test with Lifeguard)

I give my child permission to choose not to swim on any given day - your child will be required to go to the pool if this is not checked.

If Swimmer "Participant" is deemed "Beginner", the "Participant" must see HealthQuest Lifeguard for a Swim Test, prior to entering the water, to ensure that they are able to navigate the pool free of floating device. If floating device is deemed appropriate, "Participant" must maintain floating device at all times in, or near water. We suggest that Intermediate Swimmers remain in areas of the pool in which their feet are able to maintain contact with the bottom of the pool. Advanced Swimmers should use their best judgement.

By signing, I indicate that I have, read, understand and accept the conditions of this document.
