

Parental Responsibilities

Parents are required to be in the building when children are in class or checked in to childcare areas. Also, please assure that your children utilize the restroom prior to class. Please stop in to see Member Services to update your "Emergency Contact" information and photo annually.

Arrival for Classes

PLEASE have child use the bathroom before any class drop-off or childcare check-in. **Children must be checked into KidQuest or KidZone 15 min. prior to class if you are utilizing transportation services.** For parents bringing children to class, please arrive on-time to class so as not to disrupt a class that has already begun.

Transportation

For your convenience, HealthQuest Staff is available to transport children checked into childcare areas to their classes. Parents must inform staff as to which class(es) their child(ren) will be attending when checking them in to childcare. Children who are transported to class MUST be transported back to the childcare location they were transported from, as they must be accounted for. **Transportation will depart 10 minutes prior to the class start time.** For children who miss transportation, it is the responsibility of the parent to both **Drop Off AND Pick Up** from the class location. Please be punctual for transportation.

Pick-Up from Classes

Parents who brought children to class MUST pick children up from class at the time the class ends. Any child not picked up on time will be transported to either KidQuest (ages 3-6) or KidZone (ages 7-12). Children who were transported by HealthQuest Staff will be returned to their designated childcare location and MUST be picked up from that location.

Attendance/Tardiness

Children more than 10 minutes late should not be entered into class for that specific day as it causes substantial disruption to the overall experience. Three (3) unexcused absences or excessive absences will result in the child being removed from the class so that a child on the waiting list is given the opportunity to participate. Please email programdesk@hqfit.com if your child is going to be absent for a program, in order to not incur an "unexcused absence".

Camp Dynonite Registration

- Camp Dynonite is offered on select Saturday evenings. Members must register via the Member Portal at www.hqfit.com
- Online Registration opens 2 Sundays before the event and closes 11pm on Thursday prior to the event. **ABSOLUTELY NO WALK-INS.**
- Registrations received after Thursday at 11pm are charged a \$5 Late Fee per child.
- Cancellations after Thursday at 11pm will result in a \$5 fee per child. No Shows will result in a \$5 fee per child.

Sanitation/Allergy Concerns

NO outside food or beverages are permitted in KidQuest, KidZone or the youth programming classrooms due to potential allergies. Please be sure your children wash their hands prior to entering the childcare areas or attending class, especially if they have been in contact with products containing peanuts. Children with visible signs of illness will not be permitted to enter childcare or classes. Admittance is based upon the discretion of HealthQuest Staff.

Attire

Please ensure that your children have the proper attire and footwear for the class they are taking that day. Should you have any questions about attire requirements, please ask an instructor.

Safety & Conduct

For the safety of your children and our staff, please remind children of proper conduct while under our staff's supervision, which includes but is not limited to refraining from climbing on staff and equipment. Please also refrain from bringing any outside toys into the club to avoid potential choking hazards. Any items deemed unsafe by the HealthQuest staff will be confiscated and returned to parents. Children under the age of 13 cannot be left unattended anywhere in the club, this includes the Café, hallways and fitness areas.

We Strive to be the Best Part of Your Day, Every Day.

Youth Programming
